DR. JOHN BULL—Dear Sir;—Last February
DR. John Bull—Dear Sir;—Last February
I was in Louisville purchasing drugs, and I
got some of your Sarsaparilla and Cedron Bit-Dr. Gist, who has been in bad health, has

tried them, and he also improved. My son-in-law, who was with me in the store, has been down with rheumatism for sometime, commenced on Bitters and soon found his general health improved. Dr. Coffee, who has been in bad health for several years-stomach and liver affected-he improved very much by the use of your Bitters.
Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicines this fall—especially of your Cedron Bitters and Sarsaparilla. Ship me via Memphis come Children Country of North Country of Nort phis, care of Rickett & Neely.

BULL'S WORM DESTROYER.

I have received many testimonials from professional and medical men, as my almanaes and various publications have shown, all of which are genuine. The following letter from a highly educated and popular physicion in Georgia, is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of BULL'S WORM DESTROY.

VILLANOW, WALKER COUNTY, GA., June 29, 1866, DR. JOHN BULL-Dear Sir :- I have recently given your "Worm Destroyer" several trials, and I find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice, and have daily use for some article of the kind. I am free to confess that I know of no remedy recommended by the ablest authors that is so certain and speedy in its effects. On the contrary they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majori- | ENGIN . HORSE POWERS, GRIST WILL ty of the regular line of M. For my part, I shall make it a rule to use all and any means to alleviate suffering humanity which I may be able to com mand-not hesitating because some one more ingenious than myself may have learned its effects first, and secured the sole right to secure that knowledge. However, I am by no means an advocate or supporter of the thousands of worthless nostrums that flood the country, that purport to cure all all man ner of disease to which human flesh is heir. The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing.
